Explain a "Yes" answer here: _____

I hereby state that, to the best of my knowledge, my answers to the questions on this form are complete and correct.

Signature of athlete: _____

Signature of parent or guardian: _____

Date _____

Parent's Permission& Acknowledgement of Risk for Son or Daughter to Participate in Athletics

Name (please print) _____

As a parent or legal guardian of the above named student-athlete. I give permission for his/her participation in athletic events and the physical evaluation for that participation. I understand that this is simply a screening evaluation and not a substitute for regular health care. I also grant permission for treatment deemed necessary for a condition arising during participation of these events, including medical or surgical treatment that is recommended by a medical doctor. I grant permission to nurses, trainers and coaches as well as physicians or those under their direction who are part of athletic injury prevention and treatment, to have access to necessary medical information. I know that the risk of injury to my child/ward comes with participation in sports and during travel to and from play and practice. I have had the opportunity to understand the risk of injury during participation in sports through meetings, written information or by some other means. My signature indicates that to the best of my knowledge, my answers to the above questions are complete and correct. I understand that the data acquired during these evaluations may be used for research purposes.
